The Attention of the Trade —

Is respectfully called to our Price List of especially selected **Florists' Flower Seeds, Bulbs and Florists' Supplies**. We give this branch of our business the most careful attention, and feel fully satisfied that a trial will give the greatest satisfaction to the grower.

We request the trade to notice particularly our high-grade strains of **Asters, Calceolaria, Cineraria, Cyclamen, Gloxinias, Mignonette, Pansies, Petunias, Primulas and Stocks**, also our select list of **Cannas, Gladioli, Dahlias and Lilies**.

We wish it distinctly understood that we do not in any way guarantee seeds. We employ every effort to secure the best, and test every variety we offer. Notwithstanding these precautions, seeds often fail to produce the desired results. This comes from variation of soils, climatic influence, and other conditions over which the seedsman has no control. For these reasons any guarantee, express or implied, cannot be given.

TERMS OF CREDIT.—To regular customers and houses of established credit, all bills bought from this catalogue are due June 1st, without regard to date of purchase. All accounts are subject to sight draft on June 10th if payment is not made by that date.

On orders accompanied by cash we will allow a discount of 5% or from **regular customers** if paid in 10 days from receipt of goods.

C. O. D. orders must be accompanied by 25% of invoice, to guarantee acceptance.

Unknown correspondents desiring to open an account will please furnish satisfactory reference, otherwise cash must accompany order.

Remittances should be made by Post-Office Money Orders, Drafts on New York Banks or Express Money Orders. Where it is not possible to obtain these, the letter should be registered.

Before sending your order give shipping instructions and write name and address distinctly on every order.

We make no charge for packing and deliver all goods free on board railroad or steamship in New York.
